M.V. "DISCOES" INTO HOMECOMING

1978 Homecoming found the Marauders victorious over Wes Del with a score of 10 to 7. The festivities surrounding the game were based on the popular disco sound. Seniors won first place in the mini-float contest, and the Art Club took first place in the walking float contest. During half-time the band filled the stadium with disco music from "Saturday Night Fever." The evening climaxed with the crowning of Queen Angie Faenzi and King Ed Bush.

Spirit was generated throughout the week with several costume days, and Friday afternoon class activities of powder puff football, pyramid building and tug-of-war contests.

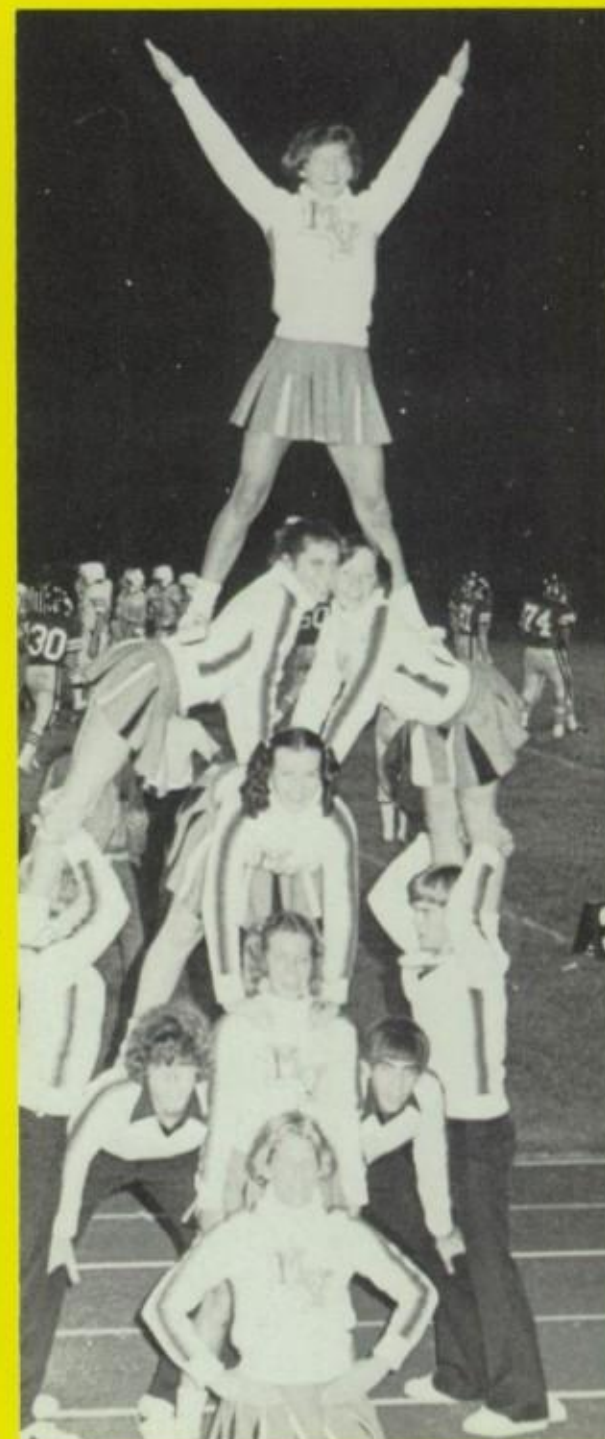

Pom-pom girls disco to "Saturday Night Fever" with the band at half-time.

Seniors are "Stayin' Alive" with their first place float.

Amy Rapp ropes first place on Cowboys and Indians Day.

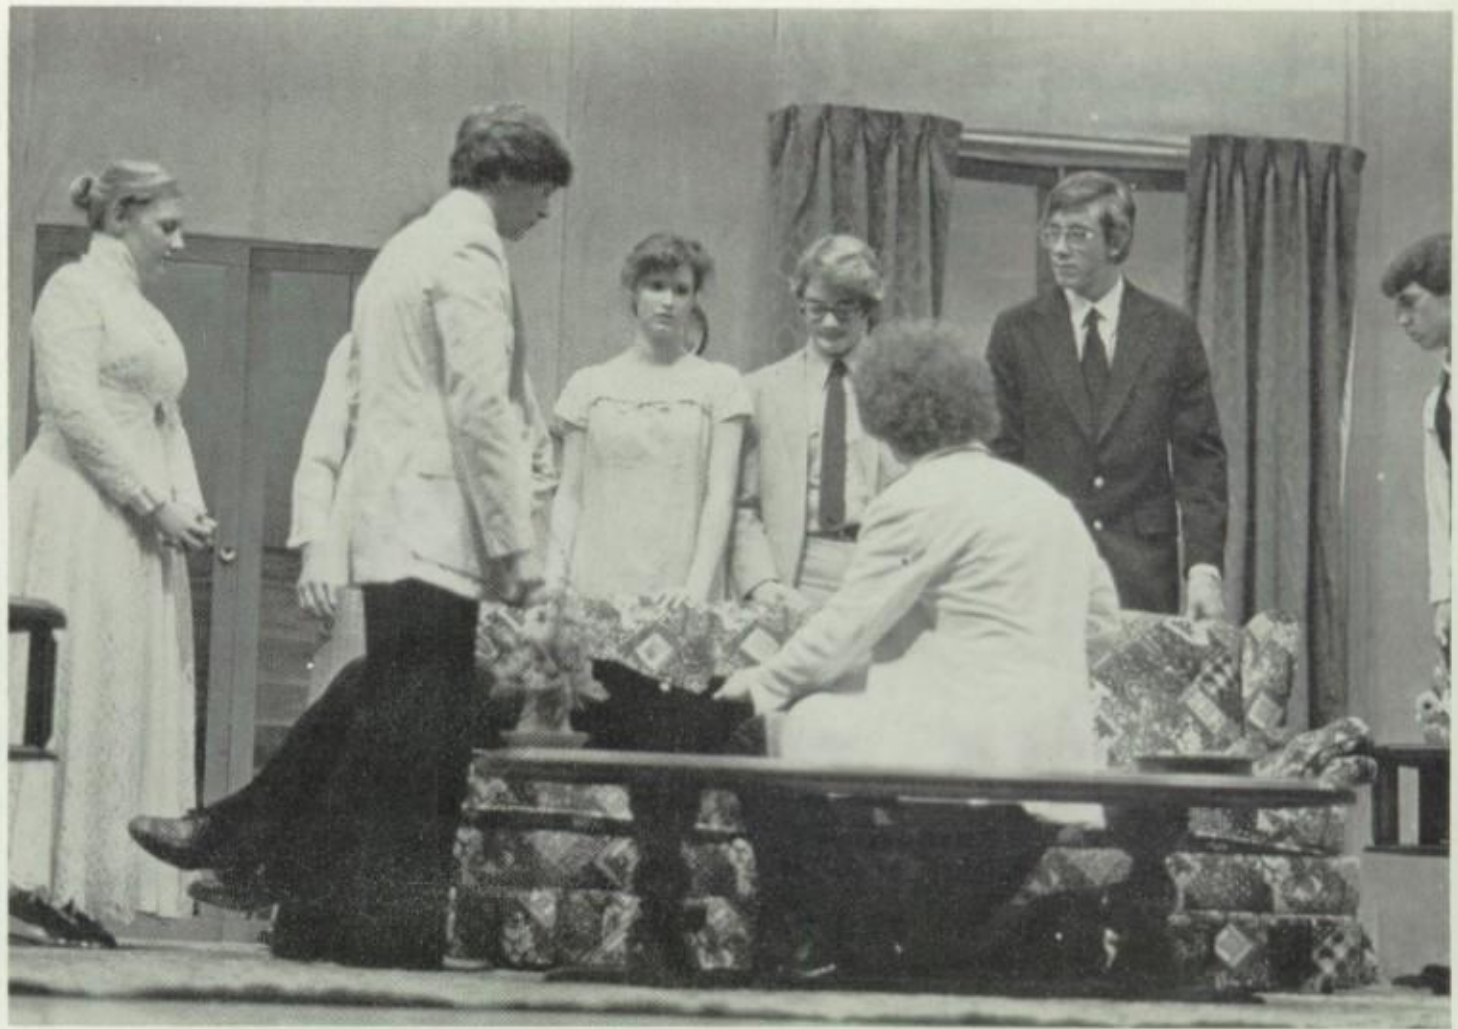

Varsity Spirit Leaders cheer the team to victory.

1. Senior Queen Angie Faenzi and King Ed Bush reign over Homecoming festivities. 2. Members of the 1978 Homecoming court are Pamm Kuleff, Mike Gibson, Barb Skinner, and Vickie Bangel with Queen Angie Faenzi and King Ed Bush. 3. Senior Tammy Sparks powders referee Welpott in "powder-puff" football. 4. Junior Chris Saint catches a winning pass in the final minutes for a victory over Wes Del.

The guests search each other's faces for the murderer of the corpse on the couch.

TEN LITTLE INDIANS

"Ten Little Indians", directed by Mrs. Lowder, gave everyone in the audience an enjoyable evening. The Drama club production of the Agathe Christie mystery was suspenseful — with the right touch of humor.

Manville Nagle, as the general, tells Vera Claythorn about his wife's death.

The Judge, Jim Turney, attempts to kill Vera for her "crime."

Jack Laudig, as Philip Lombard, and Mike Ratliff, as Mr. Blore, attempt to solve the murder.

Sherry Gilliland, as Vera Claythorn, wonders whether she is to be the murderer's next victim.

The members of the cast are Mike Ratliff, Jim Turney, Kevin Burk, Becky West, Steve Zapp, Sherry Gilliland, Jack Laudig, Donna DeVault, Glen Strange, Manville Nagle, Tim Scroggins.

CANDLEGLOW

Snow Whirl 1978 was held December 16 in the high school Cafetorium. The glowing candle centerpieces and hanging mistletoe carried the theme "Candleglow and Mistletoe" through very well. The highlight of the evening came with the crowning of the queen, Sheryl Varnell.

DECK THE HALLS WITH . . . MUSIC

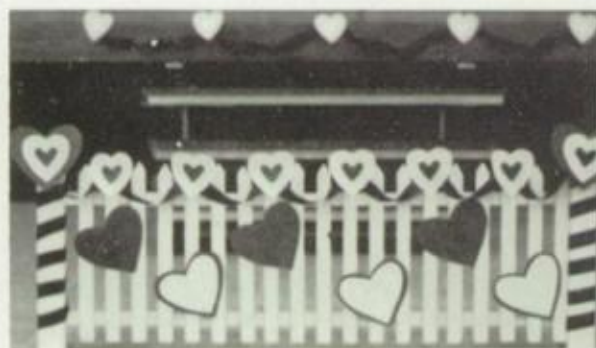

On the afternoon of December 17, 1978, Mt. Vernon rang with Christmas Cheer as the Band and Choir performed their annual Christmas concert. The community turned out in full swing to see the musical performance and to honor the Bank Award winners, who were recognized at the program.

Valentine's Day brought hearts, flowers, dancing, and love to Mt. Vernon when the Drama Club transformed the cafetorium into a heart-and-flower sprinkled dance hall for a sweetheart dance on February 14. The band, "Night Flight," provided atmosphere for an evening of love and happiness through music and dancing.

WINTER HOMECOMING

Winter Homecoming, on top of Valentine's Day, swung into Mt. Vernon with a bang beginning with spirit days of "Valentine's Day", "40's and 50's Day", and "All Sports Day." Student Council and Drama Club combined their efforts for a Sweetheart Homecoming Dance on Valentine's Day, and all the Seniors were recognized for their participation in the basketball program at the game against Anderson Highland on "Senior Night." The evening was topped off with the crowning of Queen Andi Doud and King Mike Gibson.

Glen Strange models his winning Valentine's Day fashion.

POEM TO THE SENIORS

*Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you're gone
And to the class of '79
We dedicate our Prom.*

----The Juniors

King and Queen Candidates Kevin Drake and Kim Roberts keep the beat of the music.

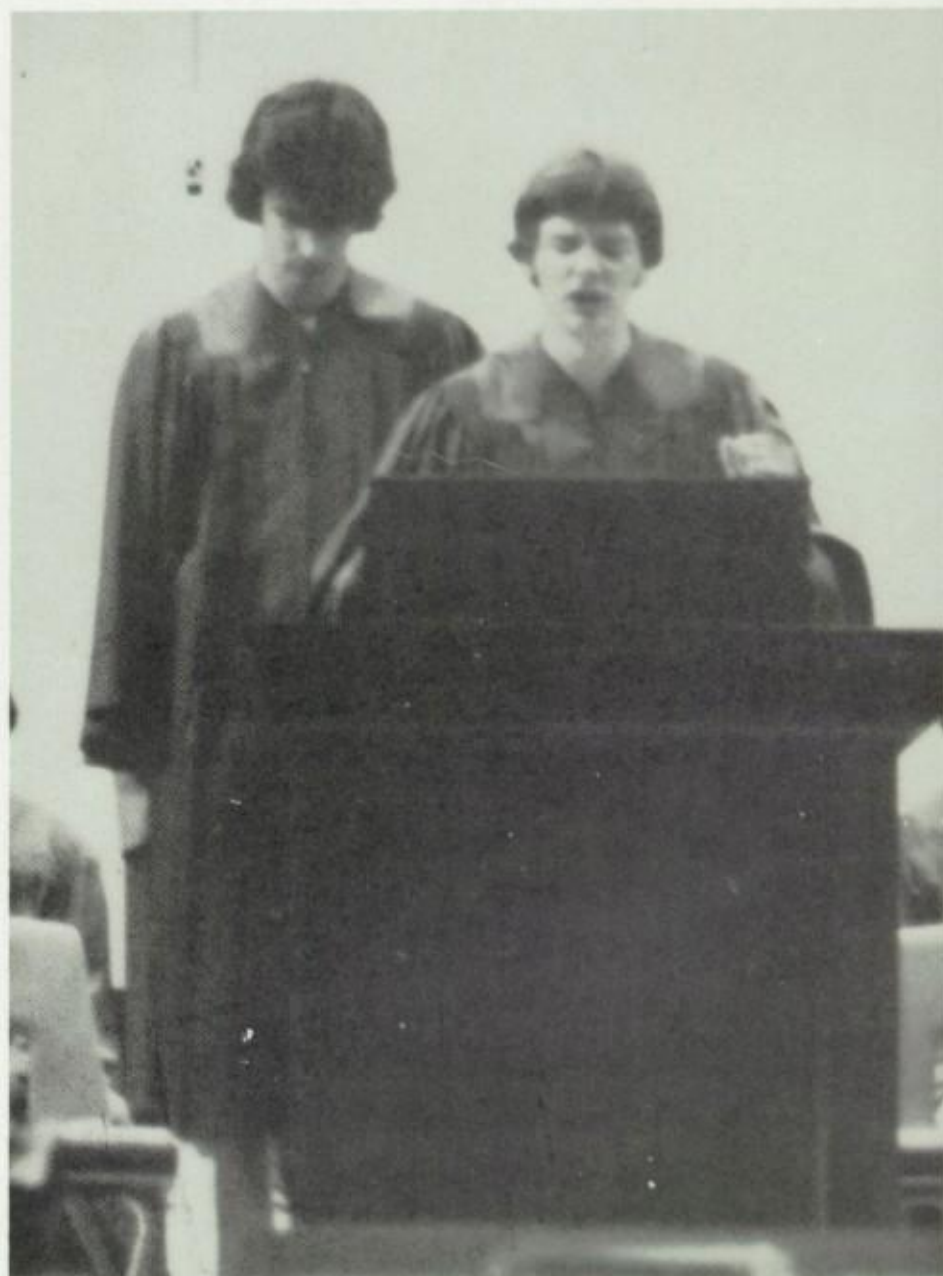

Seniors Jeff Arnett and Tammy Sparks drift with the sound of music.

THE BEAT

On the magical nights of April 19 and 20, 1979, the Choir carried its audience to heights far above Mt. Vernon on beautiful strains of music. The entire choir performed many song-and-dance numbers, while many members sang their own favorite solos with a piano accompaniment.

Sharon Dolby and Anita Brooks provide harmony for Debbie Owens.

Jon Anderson and Jack Laudig, as "God's Trombones", tell the story of creation.

GOES ON

Mr. Stadler led the band in a performance of "The Beat Goes On", a history of music narrated by Kevin Burk the disc-jockey of station "WMVHS". The program traced music from the "flappers" of the 1920's to the jitterbug of the 1960's and finally to the "disco sound" of the 1970's.

The dance band with the addition of Bret Laudig on base guitar played a few "bigband" numbers; Don Arnold, Mike Ramsey, Mark Searcy, and Jon Anderson performed some "barber-shop quartet" harmony.

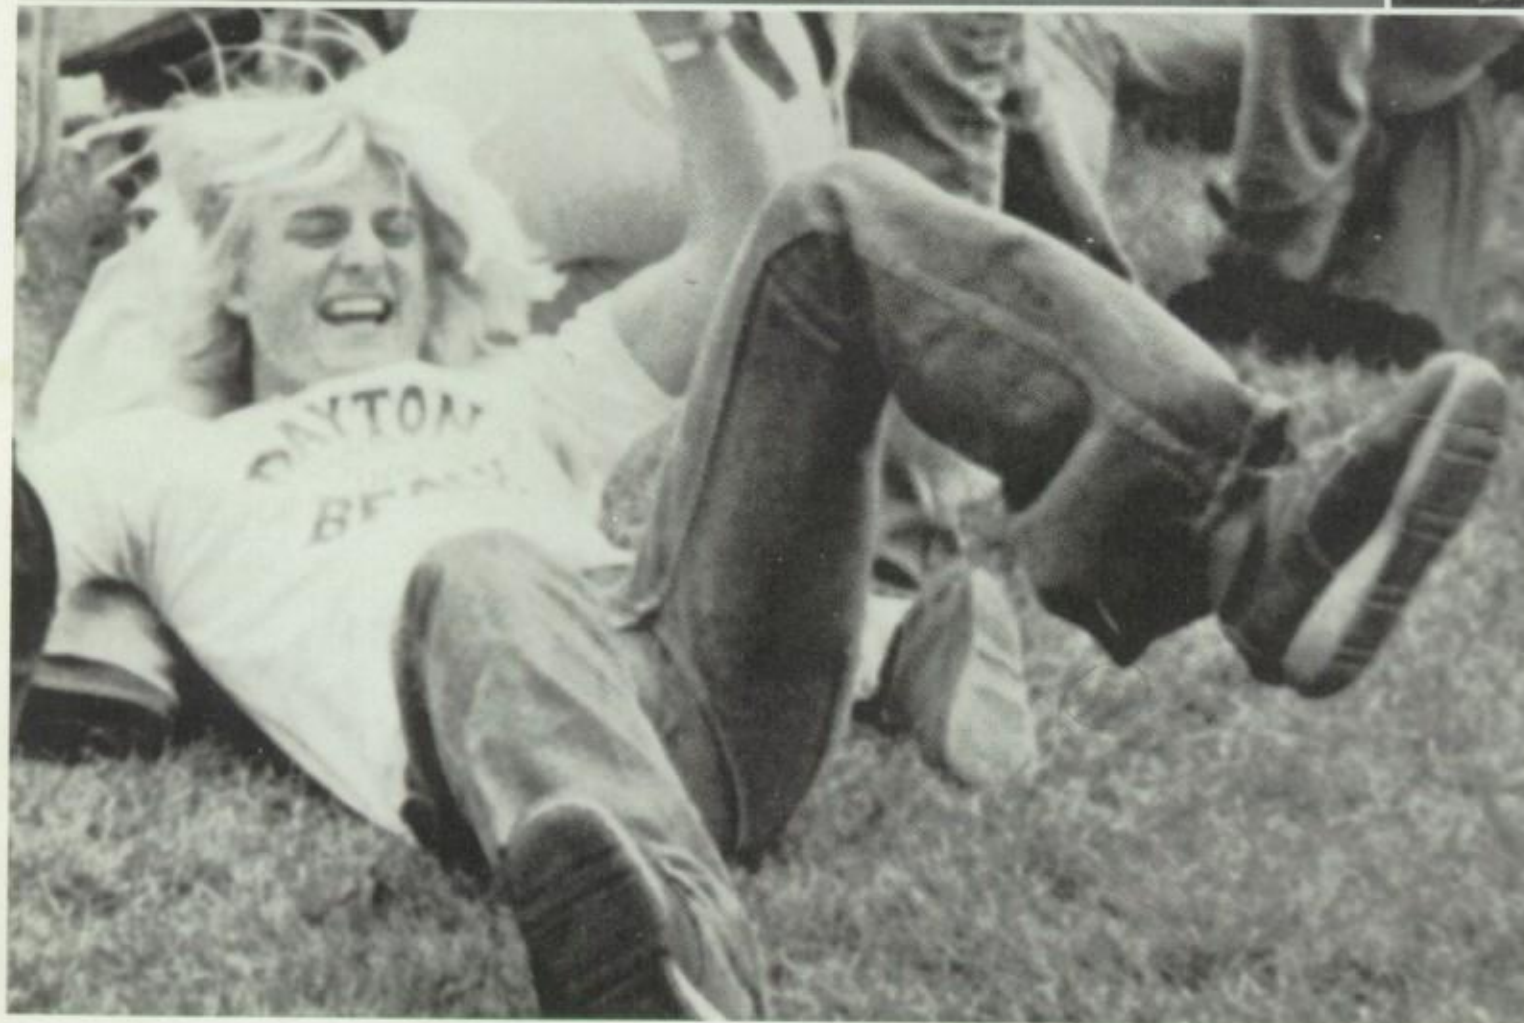

Don Arnold performs a solo on his trombone.

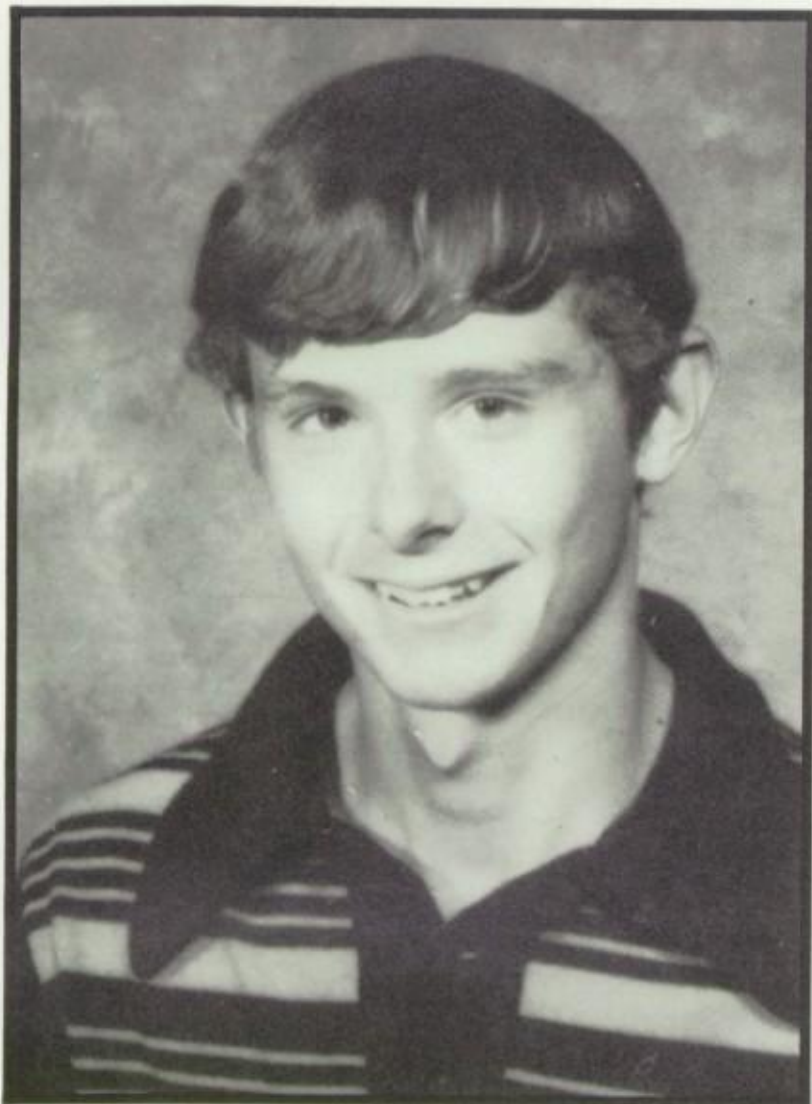

Senior Greg Smothers sets the beat on drums.

. . . Come, my friends,
 'Tis not too late to seek a newer world.
 Push off, and sitting well in order, smite
 The sounding furrows; for my purpose holds
 To sail beyond the sunset, and the baths
 Of all the western stars, until I die.
 It may be that the gulfs will wash us down.
 It may be we shall touch the Happy Isles,
 And see the great Achilles whom we knew,
 Tho' much is taken, much abides; and tho'
 We are not now that strength which in old days
 Moved earth and heaven, that which we are, we are,
 One equal temper of heroic hearts,
 Made weak by time and fate, but strong in will,
 To strive, to seek, to find, and not to yield.

Alfred, Lord Tennyson

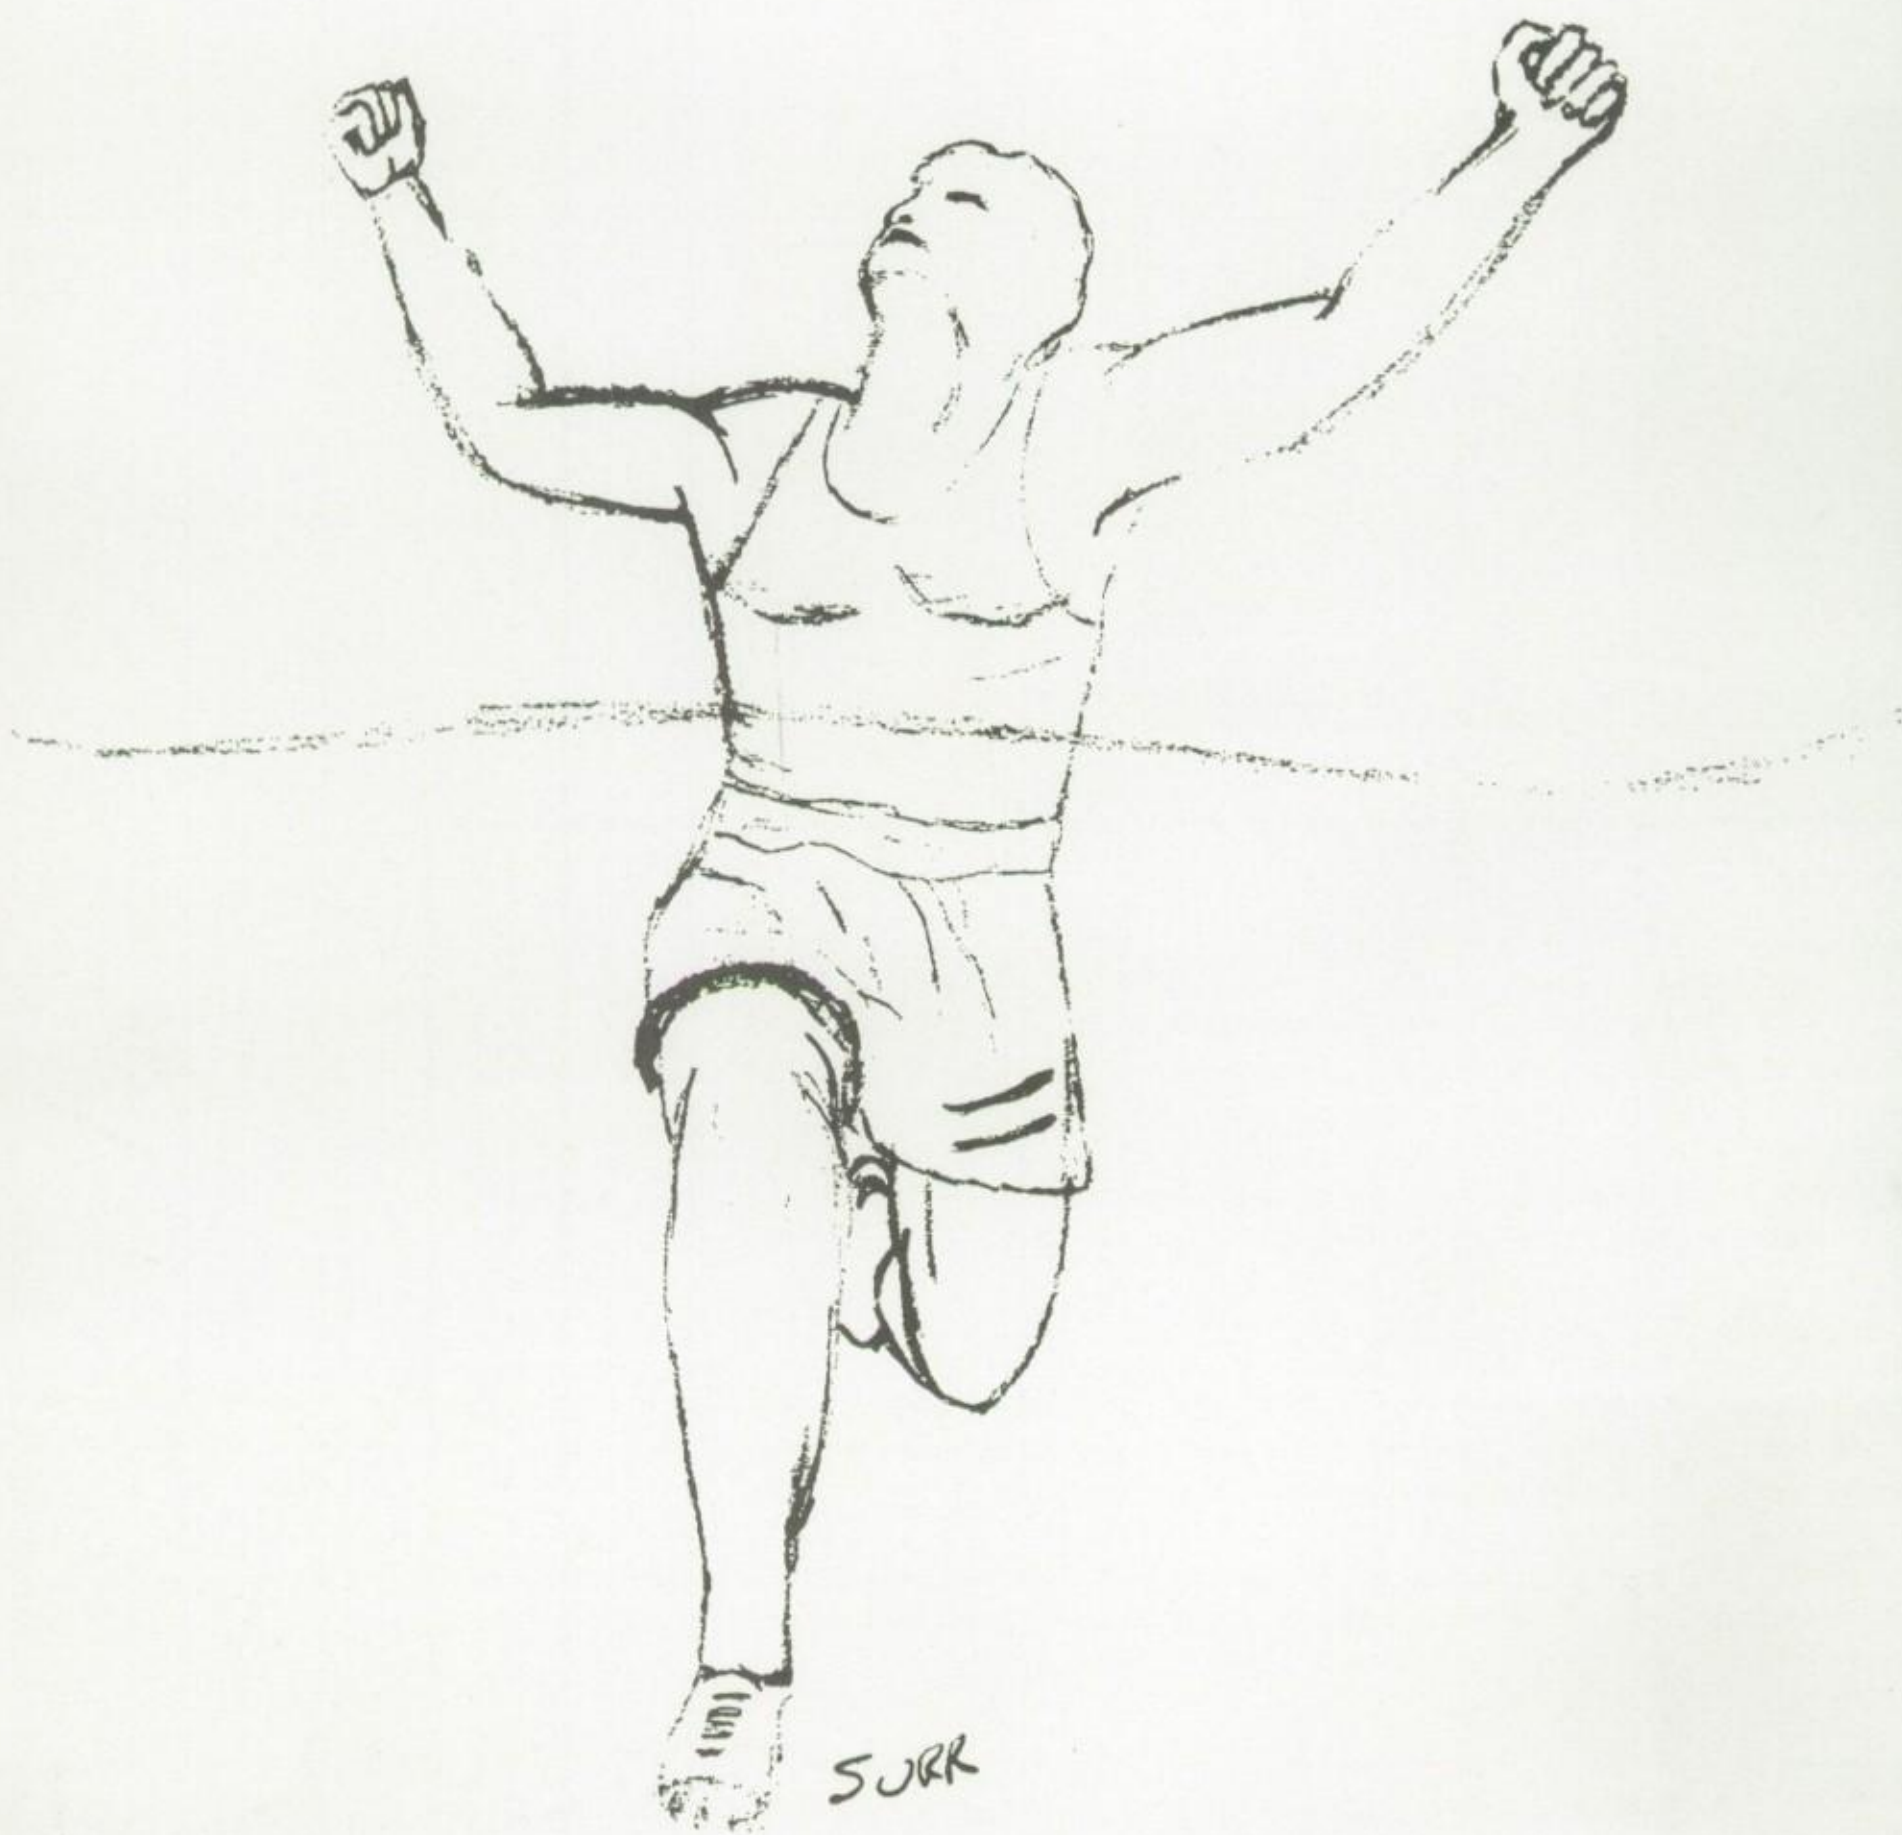

Sophomore Anthony Hammonds was killed in a tragic accident in November of 1978. Anthony's death has left an empty spot in the hearts of his friends, his family, his classmates, and of the Mt. Vernon faculty.

How plain that death is only the phenomenon of the individual or class. Nature does not recognize it. She finds her own again under new forms without loss. Yet death is beautiful when seen to be a law, and not an accident. It is as common as life. Men die in Tartary, in Ethiopia — in England — in Wisconsin. And after all what portion of this so serene and living nature can be said to be alive? Do this year's grasses and foliage outnumber all the past?

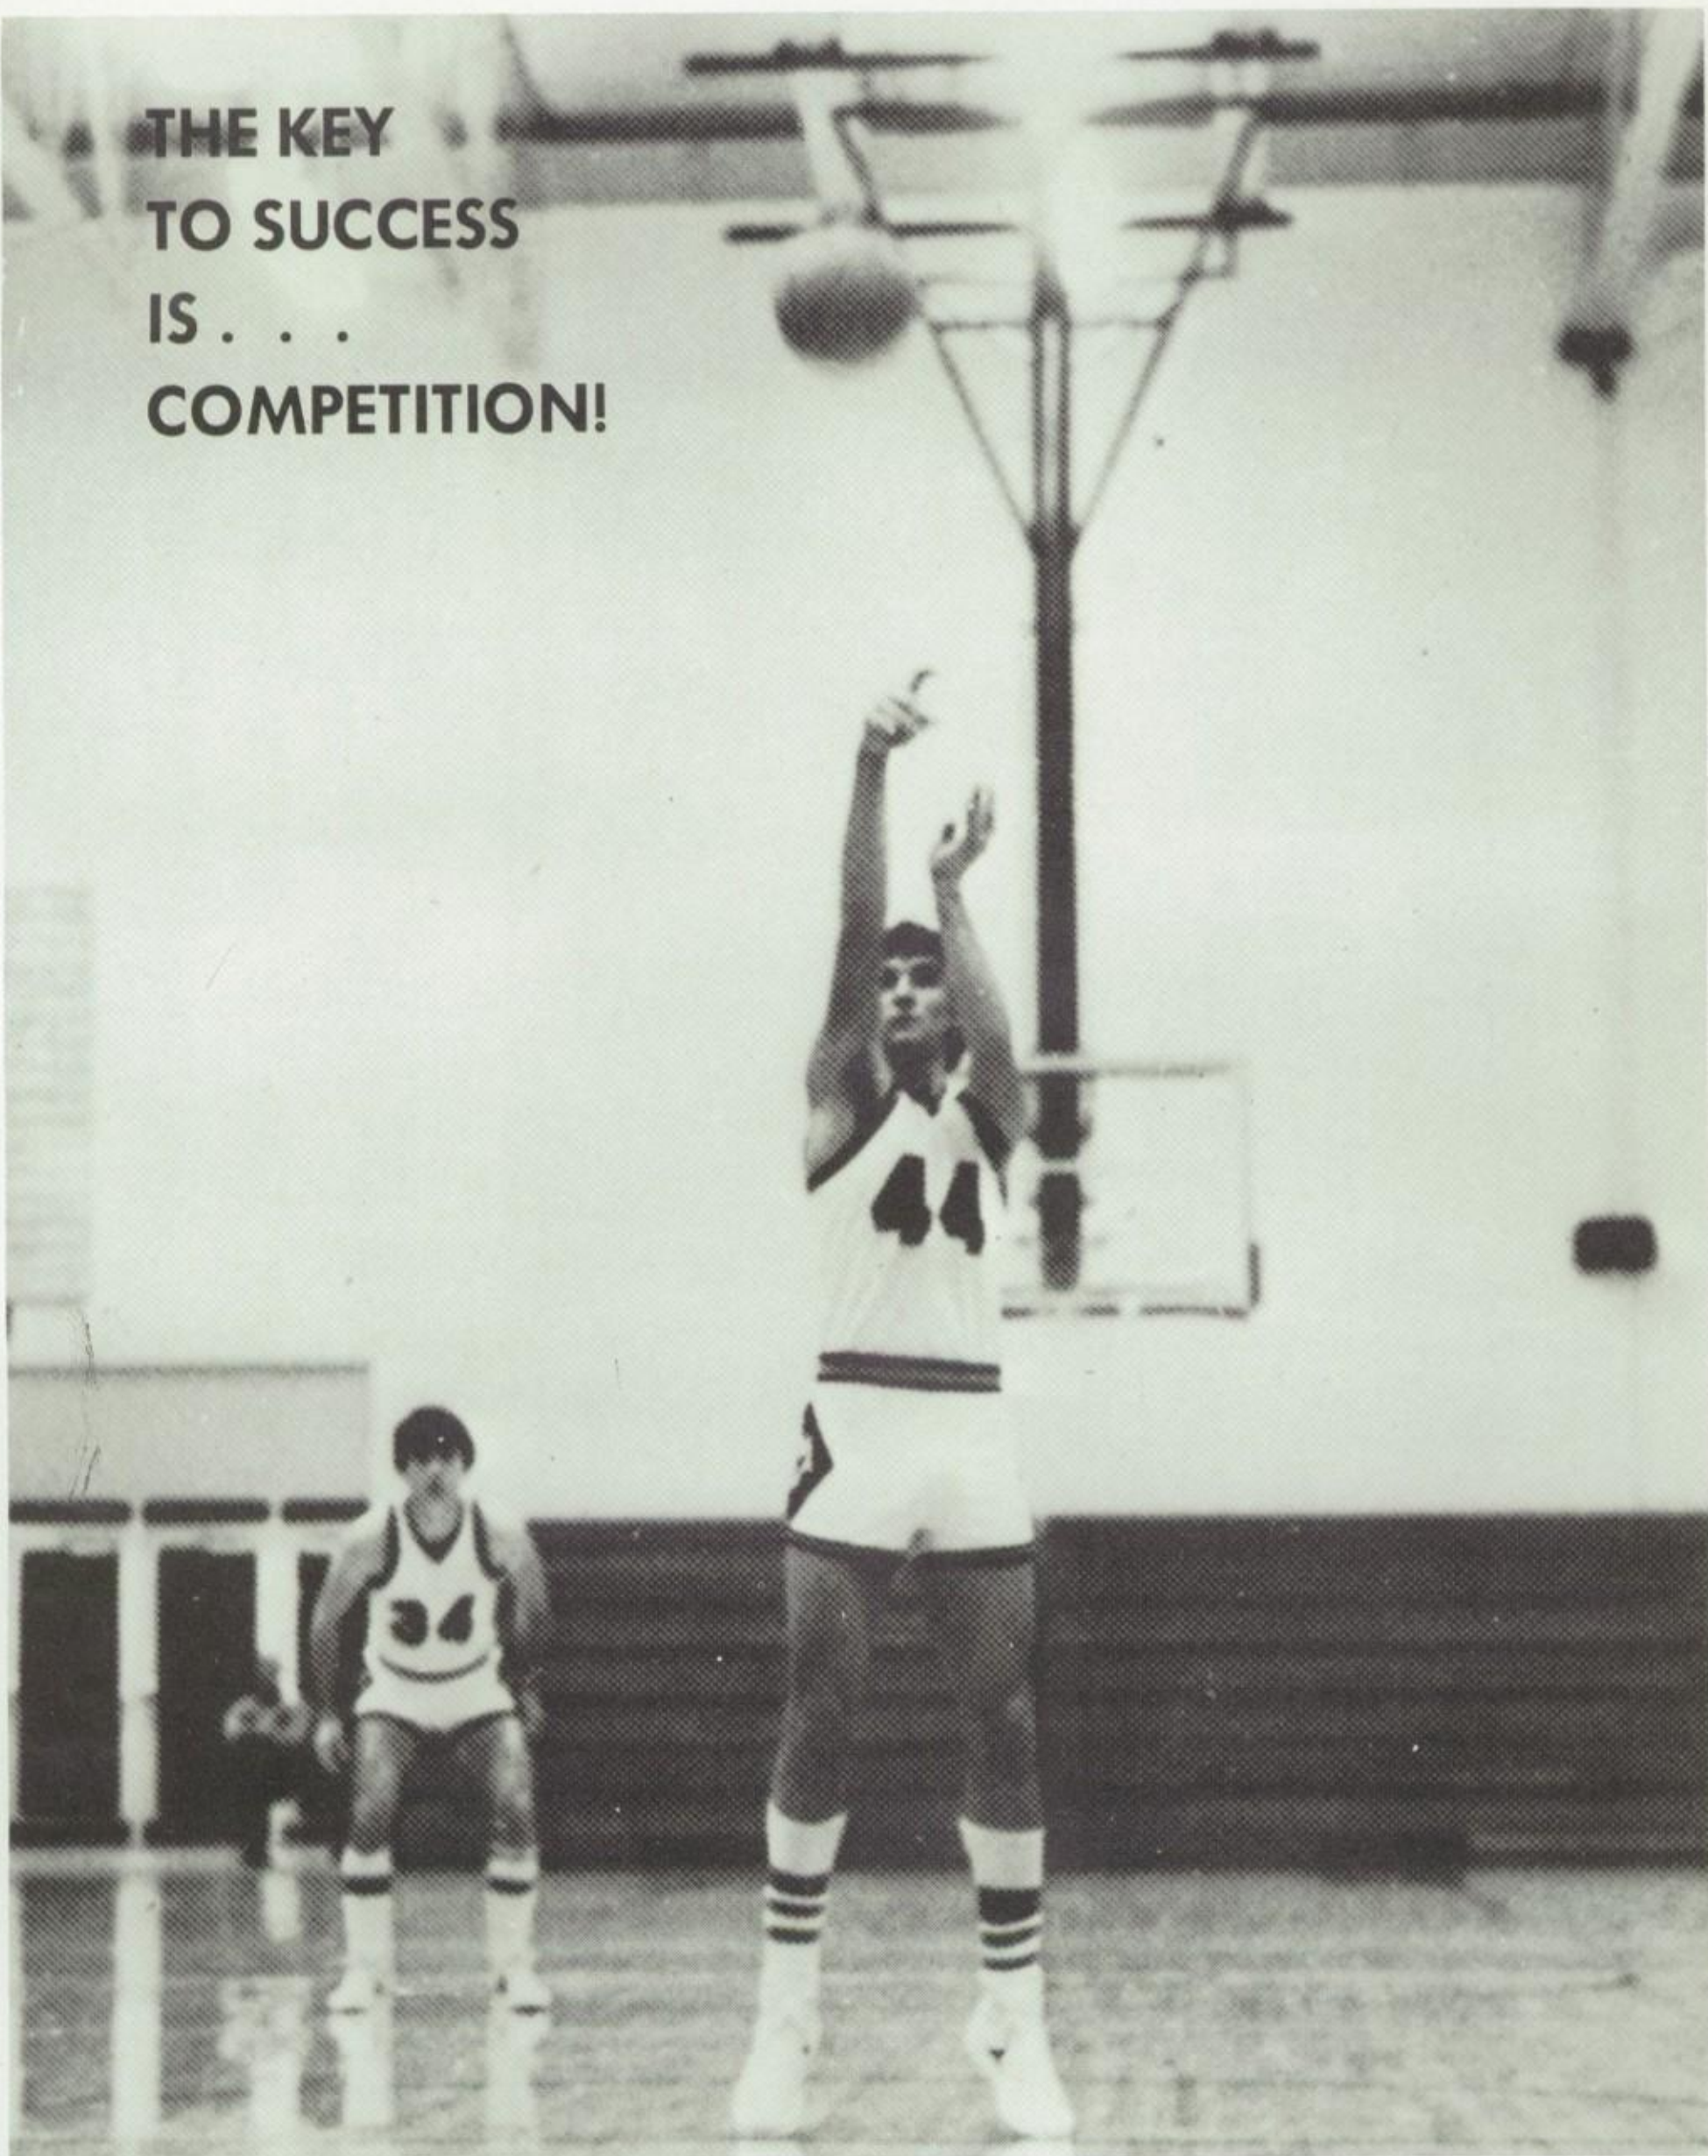

Every blade in the field — every leaf in the forest — lays down its life in its season as beautifully as it was taken up. It is the pastime of a full quarter of the year. Dead trees, sere leaves, dried grass and herbs — are not these a good part of our life? Will not the land be in good heart because the crops die down from year to year? The herbage cheerfully consents to bloom, and wither, and give place to new.

So it is with the human plant. We are partial and selfish when we lament the death of an individual, unless our plaint be a paean to the departed soul, and a sigh as the wind sighs over the fields, which no shrub interprets into its private grief.

Henry David Thoreau

TOUCHDOWN! WRC CHAMPS

The Gymnastics team successfully completed their second season with a 6-0 record. Although all of the girls improved their skills only one emerged from the Sectional. Tammy Sparks won first place in optional beam and second place in optional floor. As this year's new girls gain experience, they hope to expand the levels of competition for 1980.

1979 has brought about many changes for the baseball team. For the first time, baseball has been included in the Spring sports program instead of the summer program. For this reason, both the 1978 and the 1979 teams are pictured.

This year's team fought well against the challenging teams they played. Marauder of the Year was George Little and Defense award winner was Dave Kennedy. George Little and Phil Donovan won the Pitching and batting awards, respectively.

SPLASH!

The 1978 Boys' Swim Team splashed down to an exciting season. Mr. Cunningham guided the team through some difficult days to create a stronger, and more unified team for 1979. Because the Marauders are a new team, their losses were due, not to lack of hard work, but to their inexperience.

SUCCESS IS ACHIEVEMENT

If one advances confidently in the direction of his dreams, and endeavors to live the life which he imagined, he will meet with a success unexpected in common hours. In proportion as he simplifies his life, the laws of the universe will appear less complex, and solitude will not be solitude, nor poverty poverty, nor weakness weakness. If you have built castles in the air, your work need not be lost; that is where they should be. Now put foundations under them.

SENIOR SHENANIGANS

The class of 1979 found many things to keep busy during the long school year. The usual routine was broken by the pranks pulled by the class members. In devising their pranks, the students actually performed a service to the community and the school. The new parking lot on the roof solved the shortage of teachers' parking spaces, the "For Sale" signs attempted to solve the financial woes, and the outside facilities outside the main entrance solved the rest room shortage.

Students who made things happen in 1979 were class officers President Andi Doud, Vice President Sandy Ferguson, Secretary Pam Snider, Treasurer LeAnna Stauffer, and Student Council Representatives Jill Meeks and Mike Gibson.

Pushing the team to victory are Mary Beyers, LeAnna Stauffer, and Angie Faenzi.

Caught by the camera are Vickie D. Shaw and Pam Snider.

Senior Class Officers are: Treas. LeAnna Stauffer, Sec. Pam Snider, Pres. Andi Doud, Rep. Mike Gibson, and (not pictured) Vice Pres. Sandy Ferguson, and Rep. Jill Meeks.

SHINE OVER SCHOOL

Car Parked Atop Mt. Vernon School

Special to The News

FORTVILLE, Ind. — When doors opened this morning at Mt. Vernon High School, a car was parked above them.

In what apparently was a senior prank, the shell of a Volkswagen was placed on the roof above the school entrance sometime during the night. The engine, wheels, seats and one door were missing from the car, and "Seniors of '79" was painted on it.

School maintenance personnel wasted little time in taking the chassis off the roof. They also knew where to take it, because a student had been seen working on it recently in a nearby garage.

Due to the high price of education in Hancock County, the Mt. Vernon Community School Corporation is forced to sell the high school.

"THE FUTURE IS OURS"

"We look not to the past, for the past is gone. We look only to the future, for the future is ours."

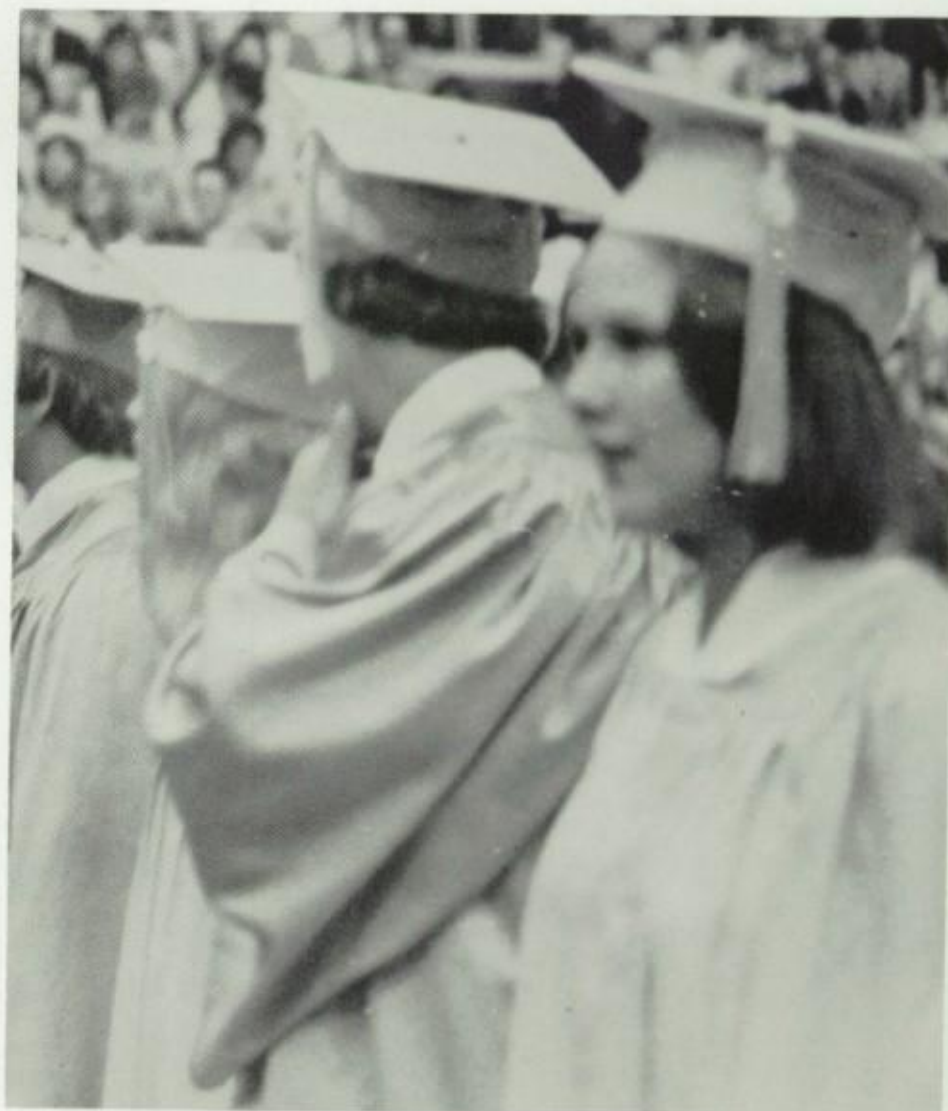

This thought from Becky Kincade expressed the emotions of many seniors as commencement drew near. Excitement mounted throughout the year, and the anticipated day finally arrived when each senior received his diploma to the applause of his family and friends in the packed gym on May 20. The "top ten" were Don Arnold, Richard Byrd, Gigi Carter, Vickie D. Shaw, Sandy Ferguson, Pat Rankin, Barb Skinner, Lesa Leavell, Mary Beyers, and Bruce Patchett.

Don Arnold delivers the Valedictory.

The Salutatorian Richard Byrd receives his diploma.

Seniors nervously await the presentation of their diplomas.

FROSH "HOP" TO SUCCESS

The Freshman officers are Pres. Steve Doud, Vice-Pres. Bill Kingery, Sec. Karen Keeler, Treas. Julie Stunda, Rep. Velina Rather, Rep. Rodney Calbeck.

MARAUDERS BID FAREWELL

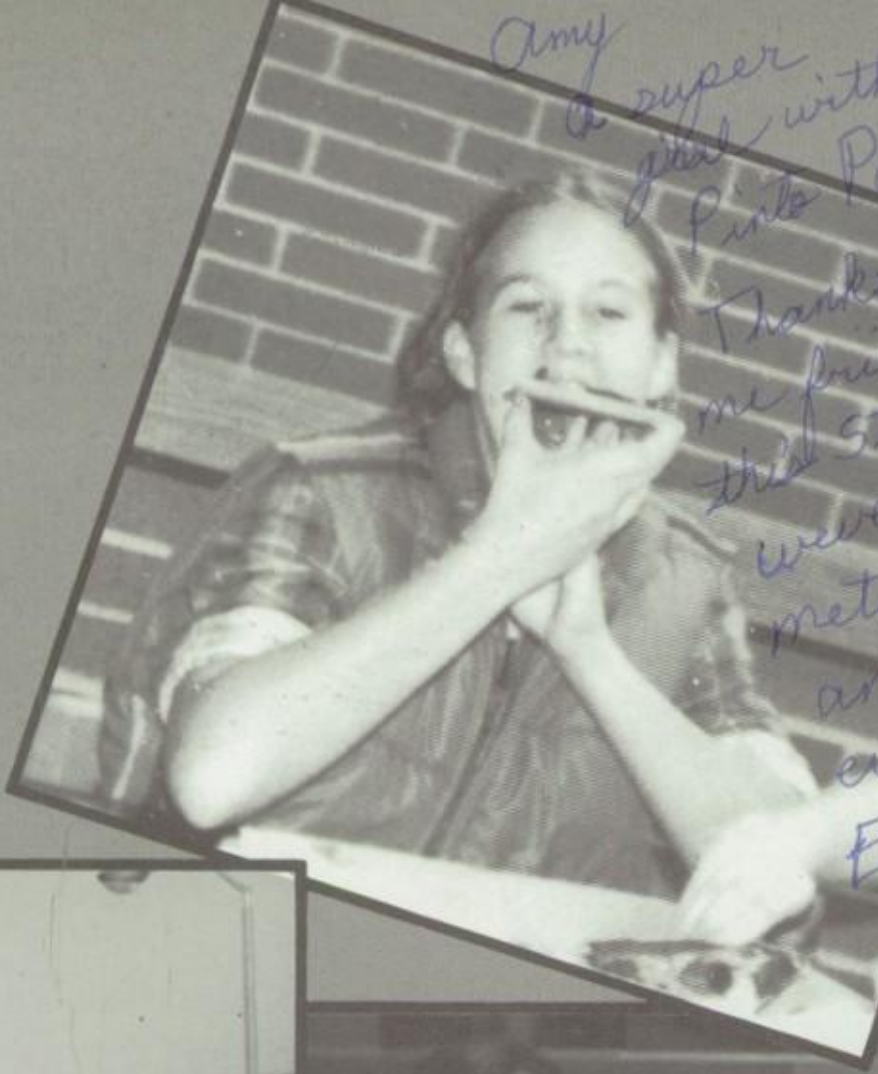

Mr. E. C. McCleerey resigned from his position as principal at Mt. Vernon High School in 1978. His service to education began in Fillmore, Indiana, as a teacher and coach. He taught and coached at Charlottesville, and then served three years as principal of McCordsville Junior High School. In 1963 he became principal of Mt. Vernon High School where he supervised our education for 15 years. We thank "Mac" for his sincere interest and friendliness to the students and the faculty.

Mrs. Edna Rush started teaching in 1935-36 at Beech Creek Township in Indiana. She has taught at Mt. Vernon High School since 1963 moving from the Fortville building into our new building. She was Business Department Head for six years. We thank Mrs. Rush for her many years of service in Mt. Vernon High School's business department and in education.

OUR KEY TO SUCCESS

"SUCCESS"

Success means doing, day by day,

The very best you can,

It's going on, yet taking time,

to help your fellow man . . .

To make your mark, to reach your goal,

To take your rightful place,

To strive and strive again,

Yet wear a smiling face . . .

To make the most of what you have,

To build and not to lean,

To take what happens with a heart

That's steadfast and serene . . .

It's knowing how to meet success,

To handle joy and sorrow,

Believing in your inmost heart

There's always a tomorrow!

It's keeping on when heart and soul

And courage seem to fail,

Convinced that faith and hope and work

Are certain to prevail!
